The Zoning Table shows which uses, both residential and non-residential, are permitted within the zoning districts set forth by the City of Cleveland Zoning Code located within Part IIIB of the Land Use Code. Uses are listed in the column to the left. Zoning Districts are categorized across the top row. Find the use and read across to the right to find out which zoning district(s) permit or do not permit a corresponding use.

Please note that all zoning code compliance is determined by the Cleveland City Department of Building & Housing. This chart is simply a quick reference tool to be used as such. For a complete list of permitted and non-permitted uses, please review <u>Cleveland's Land Use Code</u>: Part IIIB
